**New for Checkout**

We have awesome new items for Elmwood Park cardholders. Ask for them at the Circulation Desk, or plan ahead and place a hold:

- **Bocce Sets** - Check out one of our two new sets of bocce balls for one week with your library card, then head across the street to the Circle Courts and get a jump start on your summer fun!
- **Hotspots** - Wish you could have WiFi at the park? On vacation? Now you can! The Library now has five new WiFi hotspots that you can check out for three weeks with your library card.
- **Laptops (coming soon!)** - We will be getting Chromebooks and a Macbook for use within the Library. Stay tuned for details.

**Support the Library**

We love our new logo, and we hope you do, too! Now you can show off your Library love with your coffee mug or tote bag. Buy a coffee mug ($5.00) and canvas tote bag ($8.00) with our new logo at the Circulation Desk. Sales tax is included in the price. All proceeds will support the Library.

**For Your Convenience**

Starting this summer, checked out items that are eligible for renewal now get automatically renewed two days before they’re due. Your regular email notifications now detail items that were or were not renewed.

For more information about this and our renewal rules, check out our library card brochure or the News section of our website.

**Easier Article Research**

Doing research just got easier with the SWAN Catalog’s new Article Search tab.

In May, our SWAN Catalog was upgraded to include a tab for downloadable articles. When you do a search in the catalog, you will have your usual results, but there will be a new Article Search tab that you can click on to find the full-text articles available through our databases. Questions? Just ask and we’ll be happy to show you.

**FY 16-17 Annual Report**

We are happy to announce that the Library had a great year! There were close to 150,000 visits to the Library, and over 152,000 books, DVDs, CDs, and magazines were checked out.

To learn more about what we’ve accomplished this past year, many of the upcoming projects we’re working on, and how valuable the Library is to you, check out our FY16-17 Annual Report, posted in the About EPPPL section of our website.
