

## Axis 360 for iOS and Android devices

Axis 360 is one of the downloadable eBook and audiobook services offered by the library.

1. To get started, search the Apple app store or the Google Play store for Axis360. Download and open the app.
2. Search for Elmwood Park in the app. Tap on the words Elmwood Park Public Library and enter your library card number (in the Library ID field) to add us as your library and view our collection.
3. Browse the collection by category or search for a specific title. Tap on a book cover for more details. If the item is available, checkout options will display. If it is already checked out, a link to place a hold will appear. When searching or browsing, tap on **Filter** near the top of the results to view only eBooks, only audiobooks, or all formats. Note that the filter will remain on until you change it again.

A small book icon displays at the upper right corner of the book cover for eBooks. A small headphones icon displays at the upper right corner of the book cover for audiobooks. If the icon is greyed out, the book is checked out, but you can place a hold on it. If the icon is dark and bold, the book is available to checkout now.

4. Checkout and download. **For eBooks and audiobooks:** Tap on Checkout. The item will automatically begin downloading and open right away. To return to the Axis 360 collection, tap on the back arrow at the top left corner of the book. To find the items you have checked out, tap on the My Stuff button at the bottom of the screen.

### Tips & Tricks

- You can have up to five items checked out at a time and five items on hold at a time.
- Items checkout for 21 days.
- If no one is waiting for an item you have checked out, a Renew button will appear on the home page with your item three days before it is due. Renewing an item extends its checkout period by seven days.
- To return an item early, tap on My Stuff. Tap on the title you want to return and select Return. Items will return automatically at the end of the checkout period.
