1000 Books Before Kindergarten - We signed up, now what?

Read or listen to books, magazines, or audiobooks. Read the same title as many times as you like. Any books you read count. You do not have to read books JUST from the Library. Books read for summer and winter reading programs and in library-led programs like Story Time count, too!

Track the number of titles you read on your chart by coloring in a circle for each book you read!

Return to the library after every 100 books to pick a small prize from the treasure chest. At 500 books, you'll receive a special gift.

Finish 1000 books before your child enters Kindergarten to receive a certificate and an extra special gift pack!
